Sunnyvale, California 94086

## **Our Daily Bread Meal Program Update: COVID-19 Virus**

In light of the confirmed cases of COVID-19 (coronavirus) in Santa Clara County, Our Daily Bread is modifying our hot lunch meal program which is served every Monday-Wednesday-Friday at St. Thomas Episcopal Church in Sunnyvale.

**Beginning March 16, 2020 and until further notice**, meals will not be served **indoors** (no communal dining) in Cowans Hall. Instead, hot meals, beverages, and utensils will be packaged in to-go containers and distributed **outside** of Cowans Hall. Diners will be encouraged to take their meals off-site.

The safety of our diners and volunteers remains a priority. We will continue to monitor information from the County of Santa Clara Health Department and adjust our already rigorous safe food handling procedures as required. If you have any questions, please do not hesitate to contact David Barnes, ODB Program Director, at 408-736-4108.

Sincerely,  
The Management Board  
Our Daily Bread

*Our Daily Bread (ODB) is an outreach program of the St. Thomas Episcopal Church. We serve hot, nutritious meals every Monday, Wednesday and Friday, to hungry people without restriction. We ask nothing of our diners except, "Are you here for lunch?" No religious affiliation is required and no religious activity is conducted. ODB is governed by its own board of community members and functions with only 1 paid part-time person who manages more than 100 community volunteers. It operates with donations from individuals, businesses, community organizations, and churches.*
